

STRATEGIC PLAN 2023-26

Land Covenantors Victoria

VISION

Victoria is a place where it is normal for private landholders to adopt a conservation covenant to protect biodiversity, and the benefit to the natural world and future generations is widely understood by all.

MISSION

Through inclusive and diverse collaboration, give a voice to members, enable effective management of covenanted properties, and grow the profile of private land conservation.

PRIORITIES

- Support, advocate for, and grow our membership
